Golf Carts: No more than two carts per foursome will be allowed for a tee time. Pro shop staff may waive this restriction due to unusual circumstances. Refund Credit Request Policy

All requests for refund credit must be submitted in writing to the Delbrook Golf Commission by June 30, 2024. Requests after June 30, 2024, will not be considered. Credit will be granted due to death, serious illness or injury, and military service. All requests must be documented by medical opinion or written military orders. No cash refunds will be granted. Any Season Pass holder granted a refund will receive a credit applicable to the following year's Season Pass or a transferable gift certificate for greens fees and or cart rentals. The credit will be prorated based on the date of purchase and the date the request was received. Season Passes which have been terminated by the Golf Commission are not entitled to refunds or credit.

All credit granted will be prorated for a per day price calculated for the number of total days the pass would include from the date of purchase through October 31. The number of days remaining in the golf season from the date the refund credit was requested through October 31 will be multiplied by the per day cost of the pass to determine the amount of credit refund to be considered.

Example

\$700 pass purchased on May 1 and a refund was requested on June 10

Cost per day: May 1 - October 31 = 184 days. $\$700 / 184 \text{ days} = \$3.80 / \text{day}$.

Refund request date (June 10) - October 31 = 143 days

Amount of credit: $\$3.80 \times 143 \text{ days} = \543.40 credit
