

In 2025, Delbrook Golf Club will be offering a junior program designed to expose juniors of all ages and ability levels to the game of golf. One-on-one time with each student will be given as time allows, but the program is not designed as a private lesson.

The Junior Golf Program will take place on Wednesday mornings from June 18th through August 6th and will include a Junior Program Championship and lunch on the last day. The program will be offered by Delbrook Golf Club PGA Professional, Chris White, and his staff in a group environment.

Parent/Guardian Involvement

For the Delbrook Junior Golf Program to be successful, we need your assistance to serve as a walker if your child is in either the 3-Hole or 6-Hole group. Walkers supervise the play of the group during their weekly on course play.

Responsibilities include ensuring player safety, assisting with scoring, and keeping the group playing at a good pace. Please indicate on your registration form the dates on which you or a family member would be available to assist. Family members must be a minimum of 16 years of age to assist as a walker.

To make sure their children enjoy the program, parents/guardians should:

- Send child with golf clubs and balls to each session.
(Golf balls for clinics will be provided, participants will need balls for golf events)
- Advise staff if the child needs to borrow golf clubs.
- Label clubs / golf bag with your child's name / phone number.
- Help to enforce the rules and regulations regarding safety, etiquette, and course care.

Program Fee: \$125 per participant

(Class size will be limited to 12 participants per age group)
